MEMORANDUM FOR: Mr. Graham E. Fuller  
NIO for Near East and South Asia

SUBJECT: Shevardnadze's Letter to Gorbachev

Graham,

Your letter was one of the finest pieces of advance thinking I have seen in this Agency. It not only is comprehensive in substance but perceptive regarding the opportunities available to the Soviets if they can see them. I also liked the style. It read easily yet hung together with very solid building blocks. Well done.

MEMORANDUM FOR: Jim, ER

Re the two packages attached:

1. The package for Donald Regan is to go via courier ASAP. Note that the memo to President, et al., is unsigned. That is intentional. ✓

2. The other package contains the signed copies of memo to President, et al., which should be given to Bob Gates. He is going to have these copies handcarried by the PDB Staff. (Should be given to Bob Gates directly, not PDB Staff.) ✓

This is something you will find interesting

MEMORANDUM FOR: National Intelligence Officer for NESA  
FROM: Director of Central Intelligence  
SUBJECT: Letter from Eduard Shevardnadze to Gorbachev

Congratulations on a very imaginative and perceptive letter which you wrote for Eduard Shevardnadze. It should be disseminated at the top rank. That way it will get read. I will undertake to do that as soon as I figure out the best way.

Bob:

Let me have your ideas as to how this can be disseminated. We might try to handle it by a covering memorandum which I would send to the President, the Vice President and members of the Family Group.
